Peggy Mians

Executive Director

Product review is conducted according to the policies in the current *OMRI Policy Manual* and based on the standards in the applicable *OMRI Standards Manual*. To verify the current status of this or any OMRI Listed product, view the most current version of the *OMRI Canada Products List* at OMRI.org. OMRI listing is not equivalent to organic certification and is not a product endorsement. It cannot be construed as such. Final decisions on the acceptability of a product for use in a certified organic system are the responsibility of a CFI accredited Certification Body. It is the operator's responsibility to properly use the product, including following any restrictions.
